

I have

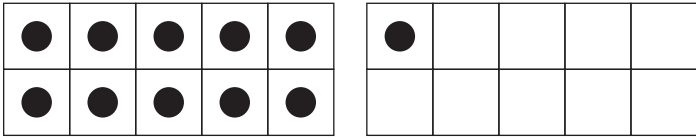

Who has ten and one?

I have

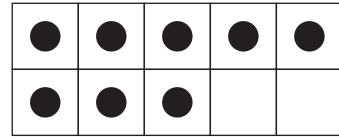

Who has eight?

I have

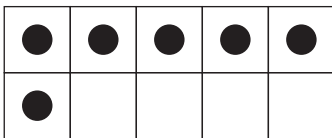

Who has ten and five?

I have

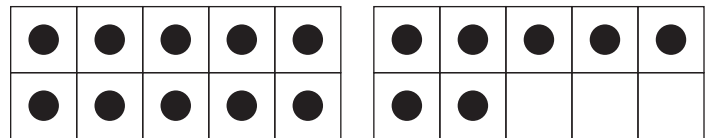

Who has ten and two?

I have

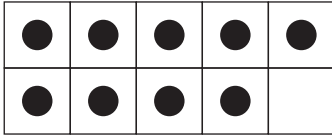

Who has nine?

I have

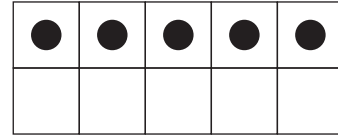

Who has five?

I have

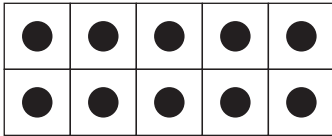

Who has ten and four?

I have

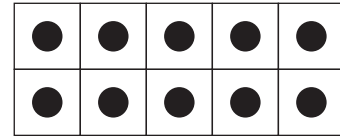

Who has ten and nine?

I have

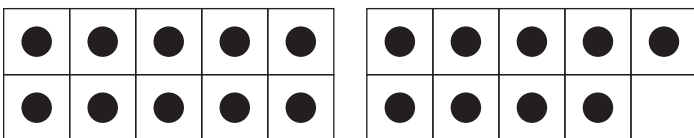

Who has ten and three?

I have

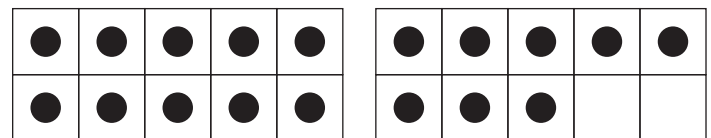

Who has ten and six?

I have

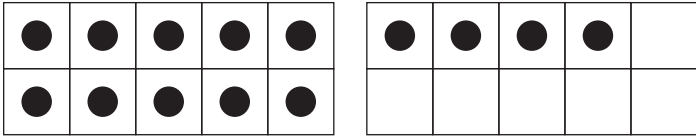

Who has ten and eight?

I have

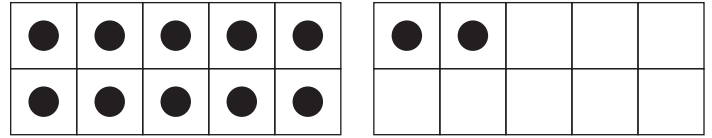

Who has ten?

I have

Who has ten and seven?

I have

Who has six?
